

Thanks for getting involved

By hosting a Simple Soup, Big Impact fundraiser, you're helping bring people together over a shared meal while raising funds and awareness for issues affecting people, families and communities across country South Australia.

Hosting is simple

1. Choose a date

Pick a time and place that works for you. Your event can be at home, work, school, a sporting club or in your community.

2. Invite your people

Gather friends, family, colleagues, teammates or community members and let them know how they can support your fundraiser.

3. Put the soup on

Keep it simple. Make your favourite soup, ask others to contribute a dish or create a shared meal everyone can enjoy.

4. Share your fundraising page

Your personalised fundraising page is the easiest way for people to donate. Share your page link and QR code before, during and after your event.

5. Enjoy the impact

Take time to connect, share a meal and enjoy being part of a community effort that makes a difference close to home.

Tips for a successful fundraiser

- Personalise your fundraising page.
- Set a fundraising goal.
- Share your page regularly with your networks.
- Display your QR code where guests can easily see it.
- Thank people for their support and generosity.

Helpful reminders

- ✓ Donations of \$2 or more made through the fundraising platform are tax deductible in Australia.
- ✓ Donations made through your fundraising page are tracked automatically and eligible donors receive an instant receipt.
- ✓ Campaign resources, invitations, posters and social media assets are available on the campaign website.

Host Checklist
